

Kenapa Mesti Dapatkan Template Premium Resume?

Sebab nya mudah.

Saya pasti korang sendiri pun tahu jawapannya.

Saya ingat lagi akan satu open interview yang saya datang dalam tahun lepas, 2017. [[ini dia artikel nya](#)]. Masa tu, kami semua yang datang open interview ni perlu beratur panjang untuk daftar di kaunter.

Bila saya duk beratur ramai ramai tu, apa yang saya perasan. Masih lagi ramai yang tidak menggunakan premium template resume.

Tak kesah lah, nak panggil premium ke, tempat berbayar ke, atau pun template yang nampak cantik ke. Asalkan lebih sedap mata memandang resume tu, itu la maksud saya.

Seperti contoh gambar di bawah

Customer Service Representative

Cincinnati, OH
July 2007 - February 2010

- Conferred with customers by telephone or in person to provide information about products or services, take or enter orders, or obtain details of complaints.
- Directed requests and unresolved issues to appropriate departments.
- Decreased customer complaints by 15% over the previous year by spearheading a new company-wide SOP for the handling of merchandise returns.
- Recommended improvements in products and services from firsthand customer feedback to company merchandisers.
- Introduced customers to V.I.P. membership program, informing them of the annual average savings and other benefits recognized by members.

Agak agak mana yang lebih nampak best bila tengok?

Sudah semestinya yang sebelah kiri kan.

Dan mata kita sahaja, mata si penemuduga dan pemeriksa resume pun akan lebih rasa tertarik.

Tertarik akan kerajinan kita

Akan ke kreatifan kita

Akan usaha kita, sekali kerajinan lah noh..

Apa apa, ia memang buatkan anda si pencari kerja ni tampak lebih serius.

Yang masa saya pergi temuduga lat hari tu, bukan lah saya sorang sahaja resume yang nampak elok sikit ni, ada juga yang lain. tapi masih lagi ramai, dan terlampaui sedikit yang menggunakan template yang nampak cantik dan smart macam atas ni.

So, pakat pakat lah guna dan rajin kan diri untuk belanja lebih sikit supaya resume anda nampak lebih tertarik di pandang..
